Dear Customer;

The Town of Black Mountain requires that an employee of the Water Administration verify the driver license number and Social Security number of all applicants for water service. Therefore, any applications received by mail or fax will require a **photo copy** of the applicant's **drivers license** and **Social Security card** to be included with the application. In the event that a Social Security card is not available, we will accept a copy of another legal card or document that bears that number, such as an insurance card, a tax return, etc. No application will be accepted without a verified Social Security number. **Please return application with \$25.00 service charge.**
