Why do you wish to serve the Town in this capacity? If additional space is needed please attach a separate sheet.

The work on the Flat Creek greenway has made such a difference in the friendliness of our immediate community. It is the way I choose to exercise and enjoy the creek. I noticed some wildflowers on the sunny side of the creek last year and can envision a willflower garden that does not limit activity but enhances the walkway. The Beautification Committee and the greenway commission have agreed to work together on this project. I'm very excited about the whole greenway project and would like to be a part of the overall plan.
