Department: Recreation/Finance
Contact: Casey Conner, Recreation Services Director
Meredith Glenn, Accounting Clerk
Presenter: Marcy Onieal, Town Manager

BRIEF SUMMARY:

The 1997 Ford F150 truck assigned to Parks Maintenance has a mileage of 105,027. The exterior is in fair condition with minor body damage. The interior is in poor to fair condition, and in need of a headliner. The mechanic recommends that the engine be rebuilt due to engine blockage, internal damage and a blown head gasket, originally caused by the inadvertent mixing together of different types of antifreeze and oil grades. The heater is inoperable. The motor has been flushed multiple times and the heater core has been replaced three times. Ongoing cost of repairs exceeds the current fair market value of approximately \$1,500.

MOTION FOR CONSIDERATION: To declare as surplus the 1997 Ford F150, assigned to the Recreation Services Department, and to authorize staff to dispose via auction on GovDeals.
