REQUEST FOR BOARD ACTION
Meeting Date: March 8, 2010

SUBJECT: Declare Certain Property as Surplus

AGENDA INFORMATION

Agenda Location: Consent Agenda
Item Number: 5-B
Department: Recreation & Parks
Contact: Jim Orr, Recreation & Parks Director
Presenter: Marcy Onieal, Town Manager

BRIEF SUMMARY: The 1995 Ford F-150 2WD pick-up truck, assigned to Recreation & Parks, has over 125,000 miles, has been out of service for over three years, and requires extensive transmission, steering column, ignition and body repairs in order to be placed back in service. This vehicle had been previously surplus by the Public Works Department due to high maintenance costs and lack of serviceability. Estimated minimum cost of repairs provided by outside vendors range from \$3,000-4,000, which far exceeds the vehicle's value. The Board is being asked to declare the vehicle surplus and authorize staff to dispose of the vehicle through any cost effective means practicable that will maximize revenue through sale.

MOTION FOR CONSIDERATION: To declare a 1995 Ford F-150 pick-up truck as surplus and authorize staff to dispose of it through sale.
