Quote for Demolition & Removal:

Approx 1656 sqft House next to fire substation

Items excluded in cleanup:

The building foundation will be dropped into basement hole.
Asbestos Mitigation (looks like no asbestos – all plaster lathe.)

Permits and Inspections:

The following permits will be obtained by GQC:

- 1 Residential Demolition from Buncombe County if applicable
- 1 Demolition Permit Black Mountain at \$50 to be waived or paid by town

Additional Permitting not included:

- 1 Commercial Demolition permit upgrade if County requires it (~\$150.00)
- 1 Asbestos Inspection for Commercial Permit if needed (~\$400)

Site Preparation:

All utilities must be disconnected before demolition begins. These include electricity, gas lines, oil lines, water & sewer. Natural gas lines must be disconnected at the street.

Investment:

Time estimate: Approx 1-2 days after job start.

Quote for Demolition and Removal: \$6250.00

Thanks for your business!

For;
The Town of Black Mountain

This is a bid for the demo of one house on White Pine DR next to the fire dept.
I am doing this two ways for the benefit of the Town bid one is the Town to supply the
dumpsters and I will get and pay for the permits and the labor which is the sum of \$
2000.00 or the other choice is for me to supply everything which includes dumpsters and
permits. For \$6000.00

Thank you for letting me bid on this item
