Black Mountain, North Carolina 28711

Dear Mr. Bannerman:

This is to inform you that we have reviewed your final reports and other documents pertaining to your FY2007 Grant Award No. EMW-2007-FO-00128 and found that you have fulfilled all performance, financial, and administrative requirements.

We have officially closed out this agreement in accordance with the general closeout principles and guidance provided in 44 CFR 13.50. It is understood that Black Mountain Fire Department will maintain all equipment/supplies purchased through the Assistance to Firefighter grant for the entire life cycle of the equipment/supplies. It is understood that your Fire Department will report to the National Fire Incident Reporting System for one year and you will maintain all your grant records for three years after the date of this letter.

If you have any questions regarding this closeout, please call 1-866-274-0960.

Sincerely,

Grants Management Branch
Assistance to Firefighters Grant Program Department of Homeland Security/FEMA
