

REFLECTIVE HOUSE NUMBER SIGNS

IN THE EVENT OF A FIRE OR OTHER EMERGENCY,
COULD THE FIRE DEPARTMENT OR EMS
FIND YOUR HOME?

As a service to the public, the Black Mountain Volunteer Firefighters have made available reflective house number signs. The signs are printed on both sides and available in either horizontal or vertical form.

They are drilled with holes for mounting.

The cost of the sign is \$20.00.

A mounting bracket is available if needed.

If you are unable to mount the sign yourself, we will come do it for you.
