I would like to thank the fellow board members for your service to this town, especially Maggie Tuttle, whose strong leadership has turned this town about-face from bickering and embarrassing board meetings to ones of mutual respect and something this town can be proud of. To the new board...congratulations. You have taken on the leadership of a town that is almost $3 million better off financially. The previous board worked diligently to plan prudently which resulted in less debit and a larger fund balance. We have a great team of town employees which are some of the best in the state of North Carolina lead by Josh Harrold. I know we all care about Black Mountain. Keep your tax rates low, spend wisely, and make your decisions for the group of the whole town, not the squeaky wheels. I wish you all the best. Thank you for your service. We count you – Don Collins

8. NEW BUSINESS

A. Amendments to Chapter 48 of the Code of Ordinances #O-20-14

Manager Harrold explained that this makes needed updates to language in the Land Use Code. The current ordinance still speaks to impact fees, which are prohibited by general statutes. The proposed amendment just removes the section regarding impact fees. The ordinance also requires that anyone outside of city limits who is contiguous has to make an application for annexation to receive water service, which is also prohibited by general statutes. The proposed amendment just removes the section regarding making an application for annexation.

Alderman Ryan Stone moved to approve and adopt Ordinance #O-20-14 as presented. The motion was approved by a vote of 5-0.

B. Tuition Reimbursement Policy

Manager Harrold explained that the Tuition Assistance Program Policy improves the process by which the funds are made available, and puts new guidelines in place for how the Town will reimburse employees who seek out educational opportunities not covered as training.

Alderman Archie Pertiller moved to approve the Tuition Assistance Program Policy. The motion was approved by a vote of 5-0.

C. Acceptance of waterlines and easements associated with Avadim project, and conveyance of interest in sewer lines and easements associated with Avadim project.
Attorney Ron Sneed addressed the Board concerning the Avadim project. As part of the infrastructure development that has been constructed as part of the Avadim project, the sewer and water lines were installed under the auspices of the Town within easements that were held in the name of Buncombe County. Now that those parts of the infrastructure are complete, the easements and the lines in those easements need to be conveyed to the appropriate parties. The sewer lines will be maintained and will become a part of the Metropolitan Sewerage District and the new lines and the easements need to be conveyed to MSD.

Alderman Tim Raines moved to approve the conveyance of the sewer lines and easements to MSD and authorize the Mayor and Town Clerk to execute that conveyance and to approve and accept the conveyance of the water line easements from the County and direct the Town Attorney to record that conveyance in the Office of the Register of Deeds for Buncombe County. The motion was approved by a vote of 5-0.

D. Water Connection Tampering Ordinance #0-20-21

The Town Attorney informed the Board that there has been a minor problem with water tampering, and the meter being broken. The proposed ordinance clarifies exactly the definition of tampering and how the Town will enforce the police.

Alderman Ryan Stone moved to approve the proposed ordinance amendment as submitted (or amended). The motion was approved by a vote of 5-0.

E. Proposed conveyance of interest in easement

In June 2019, the proposal was made for the town to disclaim its interest in a portion of the Hemphill property for an area that was not integral to the development of a park on the Hemphill property and a small strip along the boundary of the property of Mike Begley to allow the estate of Mary Hemphill to retain and sell that portion to generate money for the estate and to accommodate plans for the use of the Begley property, for which accommodation the Town will receive an easement for a second access to the property by way of Sunset Drive. After passage of the resolution, it was discovered that a part of the property that Begley anticipated as being available for his use was a small piece of land that is approximately 50 feet long and 25 feet wide that is now the northern end of a platted but unopened street as shown on the plat recorded in Plat Book 198 at Page 10A, Buncombe County Registry. The request is for the Town to disclaim any interest in this portion of that easement by execution of a non-warranty deed to Mr. Begley.

Alderman Ryan Stone moved to approve the proposed conveyance of interest in easement as amended to make it contingent upon Mr. Begley's purchase of the property. The motion was approved by a vote of 5-0.

Town offices are not currently open to the public, but appointments are available. Staff members receive temperature checks each morning, and the buildings are thoroughly cleaned. There have been two confirmed cases among staff members.

   He addressed concerns about holding indoor soccer and stated that the Recreation and Parks department is following guidance from the North Carolina Department of Health and Human Services. Recreation and Parks have guidelines in place that require social distancing, mask wearing, temperature checks, and have a plan for disinfecting. Alderman Hay asked what precautions would be taken if a soccer player tested positive for COVID-19, and the Manager explained that contact tracing would take place, and likely the season would end early. Aldermen Pertiller suggested sign-up sheets at each game and practice so the Town can easily contact the participants should the need arise.

   Manager Harrold also extended gratitude to Noah Lewkowicz from Boy Scout Troop 50 for choosing Lake Tomahawk as the location to complete his Eagle Scout project. Noah updated the playground at Lake Tomahawk with a new handicap accessible surface and swing.

   Alderman Pam King thanked the poll and election workers for their efforts during the election. She also encouraged the public to stay safe during the holiday season.

Alderman Tim Raines

The following staff members were present:

Indoor gatherings with those outside of one’s household have been restricted from 10 to two. This order is due to rising COVID-19 cases in the area.

The measures take effect Jan. 2, and apply to the City of Asheville, Montreat and unincorporated areas in the county.

Mayor Harris expressed concerns about adding additional restrictions, stating that he has confidence that restaurant and businesses in Black Mountain are diligent in following the guidance from the State of North Carolina. Mayor Harris stated that he would follow the Board of Aldermen’s decision to join or not to join in the new order to limit capacity and indoor gatherings.

SUBJECT: COLA Increase for Employees

AGENDA INFORMATION

Item Number: 8A
Department: Administration

Presenter: Josh Harrold, Town Manager

BRIEF SUMMARY: Due to COVID-19 and uncertain revenue projections, the fiscal year 20-21 budget allocated 1% COLA to begin in January. We budgeted a 15% decrease in revenues for fiscal 20-21 and the revenues thus far came in significantly better than -15%. The total amount for the increase in COLA from 1% to 3% is $55,691.33.

MOTION FOR CONSIDERATION: To approve Budget Amendment FY 2021 - #11 in the amount of $55,691.33.

FUNDING SOURCE: General Fund

MANAGER’S COMMENTS AND RECOMMENDATIONS: To approve as presented.
To: Honorable Mayor and Board of Aldermen  
From: Josh Harrold, Town Manager 
Subject: COLA Increase 
Date: January 5, 2021 

In the fiscal year 20-21 budget, the Town budgeted a 1% COLA increase to take effect in January 2021. In the past we’ve typically done a larger COLA increase, however; due to COVID-19 and the uncertainty with revenues, we budgeted conservatively. We are now six months through the fiscal year 20-21 budget and our revenues continue to come in better than our budgeted amounts. We are currently $71,000 above our sales tax revenue budget. I would like to ask we increase our COLA from 1% to 3%. The difference is $55,691.65. This amount would give all employees (full and part time) a salary increase of 3%. Our employees continue to work productively through the pandemic and have done an excellent job of providing the continued services our residents deserve.
SUBJECT: Budget Amendment for Adjustment to COLA

AGENDA INFORMATION
Agenda Location: New Business
Item Number: 8B
Department: Finance
Contact: Kirk Medlin, Finance Director
Presenter: Josh Harrold, Town Manager

SUMMARY: The original budget for FY 21 included a 1% COLA, which was to become effective January 1, 2021 pending the Town’s financial position. After a careful examination of the revenue trends, several items – most notably, ad valorem taxes and sales taxes – are well above the budgeted amounts. As a result, we are asking for a 3% COLA in order to recognize the extra work done by the Town’s employees during the COVID-19 pandemic. This amendment represents the additional 2% COLA and the related increase in benefit expenses (FICA, 401(k), retirement).

MOTION FOR CONSIDERATION: To approve Budget Amendment FY 2021 - #11 as submitted, increasing departmental totals as follows:

- Police - $15,890
- Fire - $13,400
- Administration - $4,660
- Planning - $3,230
- Water Operations - $3,210
- Public Services – Streets - $3,170
- Sanitation - $3,050
- Parks & Recreation - $2,810
- Public Services – Admin - $2,250
- Golf Operations - $1,540
- Water Customer Service - $960
- Golf Pro Shop - $930

FUNDING SOURCE: General Fund ($48,460), Water Fund Balance Appropriation ($4,170), Golf – Transfer from General Fund ($2,470)

SUBJECT: Buncombe County Dispatch Consolidation

AGENDA INFORMATION

Agenda Location: NEW BUSINESS
Item Number: 8B
Department: Administration
Contact: Josh Harrold, Town Manager
Presenter: Josh Harrold, Town Manager

BRIEF SUMMARY: Beginning in late 2019 staff began having conversations with Buncombe County leadership of the potential to combine dispatch services. Buncombe County currently provides dispatching for Weaverville and Woodfin. The Town of Black Mountain spends approximately $240,000 per year in salaries and benefits. Buncombe County’s cost to perform dispatch services for Black Mountain will be approximately $161,000 per year.

MOTION FOR CONSIDERATION: To approve or deny Intergovernmental Agreement for consolidation of dispatch services.

FUNDING SOURCE: General Fund

ATTACHMENTS: Intergovernmental agreement

MANAGER’S COMMENTS AND RECOMMENDATIONS: To approve as presented.
This Intergovernmental Agreement made and entered into this 1st day of January, 2021, by and between the County of Buncombe, a body politic and corporate, organized and existing under the laws of the State of North Carolina (hereinafter referred to as “County”), and the Town of Black Mountain, a municipal corporation organized and existing under the laws of the State of North Carolina (hereinafter referred to as “Town”).

WHEREAS, cities and counties are authorized to enter into joint undertakings as authorized by NCGS §153A-445 and Ch. 160A, Art. 20, Part 1 Joint Exercise of Powers;

WHEREAS, the County and Town wish to consolidate all 911 services in Buncombe County in order to provide the highest quality 911 service and lasting value for the residents of County;

WHEREAS, both parties agree that the County shall be responsible for receiving and dispatching all calls for service for the Town and County including Emergency Medical Services, Black Mountain Police Department, Black Mountain Fire Department, the Buncombe County Sheriff, and volunteer fire departments;

WHEREAS, County and the Town leadership have agreed that a 911 Call Center Consolidation is a mutually beneficial path for public safety entities in Buncombe County. The Parties agree that the benefit of 911 Call Center Consolidation include:

- Eliminate call transferring
- Staffing improvements to provide enhanced coverage for 24/7 operations
- More consistent and effective service delivery
- Greater opportunities for interagency response and backup
- Better data sharing between agencies and responders in the field
- Enhanced opportunity to leverage 911 Fund allocation
- Expanding opportunities for alternate response methods through consolidated training and procedures

WHEREAS, this Agreement establishes each party’s commitment to Consolidation and sets forth the basic plan to consolidate personnel, share costs and an implementation timeline.

NOW THEREFORE, for and in consideration of the mutual promises contained herein, the parties hereby agree to the following:
OPERATION:

1. The parties agree that Buncombe County, through operational funding and 911 Board, will establish and maintain a Consolidated 911 Call Center (herein “Call Center”) beginning January 1, 2021. Buncombe County will provide the backbone structure to provide important and necessary services such as payroll, employee benefits, facilities maintenance, budget/finance, legal, risk management and procurement.

2. The County will be responsible for taking and dispatching all calls for service for the Town starting January 1, 2021.

3. The Town will have access to dispatch through the County’s Radio System.

4. The Call Center shall meet (1) NFPA’s 1221 standards, (2) National Emergency Medical Dispatch (“EMD”) standards for Accreditation and attaining accreditation, and (3) CALEA’s Standards for Public Safety Communications Agencies.

5. The Town will be responsible for the upkeep and maintenance of its radio system.

PERSONNEL:

1. All employees of the Call Center shall be employees of Buncombe County and subject to the County’s Personnel Ordinance and policies.

2. If applicable, the Town shall make arrangements to transfer all Town dispatch center staff who meet minimum qualification standards, at the time of cutover to the County. The Town staff will become employees of the County on January 4, 2021.

3. If applicable, the County shall offer each Town telecommunicator a full-time telecommunicator position with the County. Each Town telecommunicator will be treated as a new hire with the County which will include a 6-month probationary period. Supervisory and other specialty positions will be selected by the Division Manager and Emergency Services Director through Buncombe County’s normal recruitment process.

4. It is the intent of this Agreement that the hiring of Town dispatch staff will take place, in alignment with Buncombe County Compensation Plan. Criteria which may render a participating dispatch center employee ineligible for County employment at the Call Center include, but are not limited to the following:
a. Not eligible to work in the United States;
b. Failed background screening;
c. Inability to pass a drug test; and
d. Education level which is not equivalent to a high school diploma or higher.

5. Each Town telecommunicator has the option of declining the position with the County. Should the telecommunicator decline the position, neither party has an obligation to find the telecommunicator a different position in either organization.

TRANSITION:

1. Both parties agree to cooperate in the many complex elements involved in transitioning to a consolidated call center.

2. Both parties agree to follow the attached proposed implementation timeline plan to the best of each party’s abilities. A copy of the Implementation Plan is attached as Exhibit A.

BUDGET:

The County will bill the Town $80,865.54 for providing call taking services from January 1, 2021 through June 30, 2021. The Town shall make quarterly payments starting January 1, 2021. Starting July 1, 2021, the Town will pay annually $161,731.08 multiplied by the Consumer Price Index, All Urban Consumers, published by the United States Department of Labor in effect as of April 30, 2021 (Annual Rate). Starting July 1, 2022, the Annual Rate shall be the 2021 Annual Rate multiplied by the April 30, 2022 CPI. Every future year shall be calculated by taking the previous year’s Annual Rate and then multiplying the Annual Rate by the April 30 CPI. The new rate will always go into effect on July 1st.

RENEWAL

This Agreement shall automatically renew for a new term from July 1st through June 30th unless one of the parties terminates the Agreement as set forth below.

TERMINATION

BRIEF SUMMARY: There is a sixteen and a half acre parcel located off of Brooks Cove Road (identified as Buncombe County PIN #0619-88-6353.00000) that is located outside of city limits. The developer is seeking annexation and if annexed would like the zoning designation of UR-8 (urban residential). The Planning Board heard this request at a special call meeting on December 15, 2020, and felt that since the property is contiguous with other UR-8 parcels, the UR-8 zoning designation is a good fit. The Planning Board voted 5-0 to recommend the UR-8 zoning designation.
