I acknowledge it is my responsibility to call the Black Mountain Police Department by 11:00 am each day to let them know I am ok. Likewise, I will also let the Police Department know if I am out of town (when I depart and my expected return date) so they will not expect my call. If I do not call by 11:00 am each day, I authorize the Black Mountain Police Department to come by my home and check on my status. If the Black Mountain Police Department is unable to make contact with me, they are authorized to contact my emergency contacts in order to gain entry to check on me. I understand that the Senior Watch Program will not ensure my safety and is only intended to assist in checking my well-being.
